About this report:

Employee figures reflect testing conducted by DCR's medical services providers, and any offsite testing reported to DCR.

<u>Positive</u>: current (active) cases; NOT cumulative. All positive inmates are placed in isolation.

<u>Total</u>: cumulative tests; refers to number of tests performed and completed, NOT the number of inmates or residents tested.

Pending: all inmates/residents awaiting test results remain in isolation.

Quarantine: inmates/residents NOT showing symptoms but separated because they are new intakes, back from a hospital for unrelated reasons, etc.

Inmate false positives to date: BCC (1), CRJ (1), MCC (1), NCRJ (1), PHRJ (1), SCC (1), SCRJ (3), TVRJ (1). Employee false positives: BCC (1), NCF (1). All false positives are moved from the positive/recovered columns to the negative column.

Testing reflects decisions by DCR leadership and facility medical providers, following appropriate guidance and in collaboration with state and local public health authorities.

^{*} Retesting pending of RMJC residents and staff by contract facility's medical provider. Prior samples could not be processed.

Inmates are adults in prisons, jails and Community Corrections (work-release) facilities. Residents are youths in Juvenile Services facilities.
